CERTIFICATE of ATTENDANCE

We herewith certify that

**Dr. Frédéric Sebbah
4, Rue Elisa Lemonnier
F-75012 Paris / FRANCE**

has successfully completed a comprehensive training programme in

VETERINARY NEUROLOGY
at the
**EUROPEAN SCHOOL
FOR
ADVANCED VETERINARY STUDIES
(ESAVS)**

a COMETT Pilot Project of the EUROPEAN COMMUNITY

from April 5, 1992 until March 23, 1994.

The complete training programme included a total of 270 hours residential instruction and practical exercises in three two weeks courses as well as a distance learning programme over the 20 months between the residential courses.

The programme was organised by coursemasters who are members of the European College of Veterinary Neurology (ECVN).

March 23, 1994
